“ *Our thoughts and prayers are with you and your family. The loss of a beloved family member is a rough time even when health issues prevent the quality of life that they once enjoyed. We remember Betty as friendly and caring and one of the hardest working ladies we have ever known. No task seemed to be tough for her to dive right in and give it her best. Sorry we were not able to get to Harrod's to visit with you in person. Hope to see you Sunday.*
