“ *I am very sorry for your loss, Betty is in a far better place now, without any pain or sorry.*

I have fond memories of all the Dutton family. I lived with Ora, and Tommy, and would visit with Bobby a lot. We rode the school bus together, I remember Betty as a shy pretty little Girl.

God is with this family during this hard time.

Lots of love

“ Just wanted you all to know that we are praying for you all at this time. We loved Ms. Betty and the world is a better place because of the children's lives she touched through her daycare ministry. We are so thankful Jeremy was one of her "kids."

I cherish the times I was able to visit with her and pray with her at the nursing home. She loved her family so much and was more concerned about you all than herself.

She is perfect in body now in heaven and is rejoicing with all those she had cared for who went before her.

Just let God hold you in his arms in the days ahead as you shed tears, want to pick up the phone to ask her something or share something that has happened in your day. May you also take time to reflect on the wonderful memories and times you have shared with such a remarkable lady who is wife, mom, grandmother, sister, or friend to so many.

We are only a phone call away 24/7 if you wish to talk or need something.
