“ *Dora and Grant...I am sorry to hear about your mom. I was unable to stop by and see you in person, but I wanted you to know that you are in my thoughts. I wish you the best during this time and in the future. Although it may seem difficult at this time, you will have so many memories come flooding back now and in the future that she will always be with you. I still think about my mother everyday.*

*My best to you both...*

“ Grant and Dora Lynn, you probably do not remember me, especially Dora Lynn, but when you were young children and lived in Lancaster, Kentucky on Hamilton Avenue Grant and I played together. I lived on Vam Court. Our backyards were very close together. In fact, Grant, I have a picture made of you in that backyard on the night you were going to be in the school night of stars. You have on a tuxedo. Our mothers were good friends. We visited you whenever you moved to Danville Road. We were very good friends. I also remember when Grant played football for Frankfort High School. The last time I saw you Grant was in 1967. Twice you came to Garrard County High School, one night to check out the Lions. You were wearing a FHS letter jacket. I spotted you in the stands. The other of course, was the football game between Frankfort and Garrard County. Grant, you are three years younger than I am. Dora Lynn, I remember when you were born. I now live on Hill-N-Dale Drive which did not exist when you lived in Lancaster. It is very close to your house on Danville Road. Like you both now, both of my parents are now gone. I am still single. I am very sorry to hear about Betty. When I read the notice in the Herald Saturday I thought it just had to be your mother. I have been trying every since to find a full obit. with the survivors to be certain. This afternoon (Monday) I finally did.
