“ Betty was one of the kindest and sweetest people that I gave ever known. I used to love to stop by her desk with my cup of coffee and visit every morning during my time at FCHS. She always had a smile and a laugh to get my day off to a great start. Wonderful person.

“ I grew up attending Highland Christian Church with Betty and her family. Betty was always so sweet and loving. She also had one of the most beautiful Alto voices I have ever heard. My mother Doris Hyatt sang in the Choir for many years and as I became older I sang in the choir with Betty and her husband Roy too. Betty’s son Mike sang in a quartet with my brothers Tony and Daryl Hyatt along with Dwight (Wick) Miller. Thank you Betty for such lovely memories. Prayers for Mike, Lisa, Karen and the whole family. God bless, Shelley Hyatt Morris.

“ I remember years ago I would go spend the night with Karen and I would sit and talk to Betty about anything and everything and she always had the best advice. She was so cute and sweet I just lived her dearly. Love hugs and prayers to my sweetest friend Karen. I love you babygirl
