“ *dear Phil and Family...I am so saddened by learning this...
I had tried to get in touch with Beverly over the winter in Florida.
My thoughts and prayers are with you all.
We had such fun in Florida as we did when we were young girls
growing
up in the neighborhood and school.
My best to all and cherish her memory.*

“ *Dear Mr Booker and family.....I have known Beverly for the entire
time that she spent in the Real Estate business. As a fellow Broker,
we had the opportunity over the years to cross paths in several
business matters. Beverly was always a pleasure to work with and I
found her to be highly skilled in her profession. I am proud to have
known her and to call her my friend. You have my deepest
sympathy....Tom D. Isaac*

“ I just found out about Beverly and am so very sorry. She was such a wonderful lady and I enjoyed being with her on the many visits we made to look at houses. She was so patient with us and so kind. She always had a smile and a friendly hug. I will miss her terribly.

“ Dear Mr.Booker, Craig and Trevor,
My family and I have known your wife and mother for over thirty five years. I have always admired her for her dedication as a mother and a wife. With this I would like to say how sorry we, my daughters, Angela, Jennifer and son, Jeffrey are for your loss and can only tell that only with time the pain will ease but not the beautiful memories.
