“ Stephenia and Melissa - I am so sorry to learn of your mom's passing. She was such a sweetheart. I remember her letting us pull one another down your stairs on blankets over and over again. Why we wanted to do that, I'll never know! My thoughts and prayers are with all of you as you close this chapter.

“ My heart is broken. Beverly was the most wonderful friend a person could have and one which I probably did not deserve. Beverly was a gracious, loving and caring person. I have so many wonderful memories of our times together, both good and not so good. Beverly was special and this is a loss for anyone who may have crossed her path. I shall miss Beverly deeply I will always remember basketball trips (we got lost), state fair trips (Sarah fell off a bench} and so many other excursions. I loved Beverly and will never forget Beverly, or her wonderful children and grand children.
