“ *R.I.P. My friend. What a special person you were. Friendly, loving, compassionate, and funny. I remember so many fun times we had together working. Especially that trip to Chicago. My heart is hurting now, but I know I will see you again someday. Rest easy. May your family and friends find comfort in the good memories. You had a big heart, beautiful smile and were an amazing person. Love You!*

“ There are no words to describe or to share that can ease the pain of losing such a precious person. Billie was so amazing and shared her gift of love. A stranger she did not meet, everyone was family. I will miss our talks, as when she didn't have the strength to talk, she found a way to still communicate by messaging. Billie would always find a way to continue on, positive and determined. I will forever be grateful of our time together. God placed a very special person in our lives and she taught us the true meaning of how to be a friend, mother, mother-in-law and a wonderful loving and caring grandmother. Nana you are so deeply missed and loved by all. Forever in your memory we shall stand ... Sherre, Kyle & Ashley
