“ *My dad....what an awesome father! He will be greatly missed by many, including me. My dad was a wonderful provider. He worked hard over the years to make sure we had what we needed. He was loved by everyone who met him. Known all across the world and loved by many.*

I know that dad is sitting at the feet of God today. Dad loved to witness to others around him. Whether he was in the hospital, restaurant or wherever, he witnessed to all. I know that he has earned many jewels in his crown!!!

Going forward, I will think of him everyday. Daddy was a huge role model in my life. Always behind me in whatever I chose in my life. He was my cheerleader! I will miss him greatly and I will always be daddy's little girl.

“ Billy has been an acquaintance of mine since the late 60's. I always had a great deal of respect for Billy and his professional ability. Billy was my friend and I will miss him. I will always appreciate the interest that he took in my son, Ben, and all that he taught him about the automobile business. May God bless his family in this time of grief. Tom D. Isaac
