“ *Billy and I were cousins and a team put together when there were family get-togethers. Our Montana cousin Butch came to visit and we took him Snipe hunting. Our parents didn't think that was too funny, but Billy and I thought we had tricked the world. Billy was always special and a good thoughtful person who always brought a smile to my face. I will miss him, but know he is in a wonderful place. Herman Roark*

“ I was saddened to learn of Billy's passing. I have known Billy since the 70's when he began to cut my hair and that of my two sons. He was a wonderful Barber and more than that, he was a wonderful person, a fine human being. It's the Billy Caudles in life that make our communitys better places in which to live. I am thankful that I crossed paths with Billy and I will miss seeing him on occasion as we met over the years. I send my condolences to his family. Tom D. Isaac

“ Billy cut my hair, our two sons Grant and Parker hair and my nephew William Pauley.

The one thing I can share about Billy was he was a man of great integrity and character.

He was a solid person and always had nice, clean and family fun stories to share.

He spoke so highly of his wife and his children.

He was so proud of them!

And kept me connected to Ted and the Trivette Family.

“Our greatest gift to one another is our Prayers, you All have ours.”

“ We're so sorry to hear about the passing of Billy. Sending Love ((Hugs)) Peace & Prayers to all of his family. I do have a funny little story tell about Billy though. One time my husband was getting a haircut and since he's mostly bald and it only takes about 10 minutes for a haircut he asked Billy if he had to pay full price. Billy said well if a one eyed man goes to a movie he has to pay as much as a two eyed man to get in so....No Discount! We still laugh and tell people about that. We've known him for many, many years and he was always the same every time we seen him. He cut his foe many people in our family at one time or another. RIP Billy.
