“ Stephen King wrote “ I never had any friends later on like the ones I had when I was 12”. I always thought that one day we’d sit around talking about the weather and our grandkids. It sure would’ve been nice, wouldn’t it? Miss ya, old friend...

“ I am so very sorry for the family's loss. I grew up running around Billy's back yard with him, Cheslin, Robert and Shonda. There aren't too many of my childhood memories that don't include them all. I sat right here in my living room laughing and talking to Billy just 6 days ago and it breaks my heart to know we will never laugh and joke again. I am so thankful for the memories I have of such a great person. He along with his family are all in my prayers and in my heart.
