“ Some of my best memories are being down on the farm when we were kids. We loved going there, Billy, Judy and Peggy would play badminton, board games, go on hay rides and Aunt Ruby would let us help with making homemade ice cream. Billy and I didn't see one another much, but we always kept in touch. I will miss you my dear cousin. I know you're rejoicing with all our family members now. Our last conversation, when we all get to Heaven. I'll see you again one day soon. Love you ❤️
