“ I do not know how to say how sorry that I am for Connie and all of Billy's family and friends. My husband and I are certainly among them. We have known Billy for quite a long time and have felt like he and Connie have been our friends. Our hearts are so sad that he left much too soon it seems. We did care for him and Connie. I pray that the Lord will comfort everyone that grieves for him.

“ My thoughts and prayers are with you all during this sad time. Billy was an awesome person who was always the same whenever you saw him. I will miss running into him. A new angel is now in heaven looking over us all. God bless all of his family and friends.

“ I've known happy people and people who seem sad. I've known people who are kind and some that aren't so kind. I've known people who can light up a room and others that just don't. I know givers and I know takers. Billy was the person that I knew to make the sad a little happier, the unkind a little kinder and the room always a little brighter. He gave back in many ways, sometimes with only his smile. Billy had the rare gift of seeing the glass half full. Maybe we could all try to be a little more like Billy Noblitt. Connie, Belinda, Kaelin and Kyle....Wrap your right hand over your left shoulder. Now wrap your left hand over your right shoulder. There. You have it. A hug. From me. I love you all. We were all blessed to have known Billy but you guys were the real lucky ones because he loved you the most.

“ What a stand up guy. Billy had an infectious smile from the time he was a boy. We had our moments when we were younger but Billy was the kinda guy you couldn't be mad at for long. Always dedicated to his causes this community will suffer for his loss. He leaves behind a loving family and a lasting legacy to our community. Thank you Connie for sharing Billy with all of us. You and your family are in my prayers.

“ *I was taken back when I saw the announcement in the paper I couldn't believe what I was reading. I am so sorry for the family's loss that I cannot find words. It was a pleasure knowing Connie and Billy and took a liking to Billy the first time I met him in the Jaycee's. The Expo and Beefalo booth are just some of my fondest memories of being around Billy and Connie. May God comfort the family during this time of sorrow.*

“ I am so sad with hearing this news. When I was a little kid, Billy and Pat used to hang out, Billy was so sweet to me, being the pesky little sister. Many years later, when I was older I would see him out, and he still recognized me and always spoke. He truly had a heart of gold, and such a kind and friendly spirit to him. Frankfort lost a good one for sure! Prayers to your family I am so truly sorry.

“ My heart goes out to the entire family. Thinking and praying for all of you as you go through this rough time, now and in the future. Billy was a special person who touched a lot of lives in so many different ways. But none such as he has touched the lives of his family. Connie and Belinda, I'm sharing your tears right now and wish I could say or do something that would make this easier for you, but there isn't. I can only say that I'm here if there's anything I can do for you.

“ *Connie and family,
Mom and Dad thought a lot of you both, and you all shared many memories. I hope this comforts you, as I was standing there holding his hand, he went so peacefully. I wish I could have done more for you, I am just a phone call away if you need anything.*

“ *I am still in shock, as is everyone. My parents thought the world of Billy and you, Connie. There is nothing that can be said that will ease your pain now, or ever. It will just get easier to endure. All I can say about Billy was he was a great guy, and I mean that in the most endearing way. He will be missed by many! Love to you and your family.*
