“ Billy I have many family memories, Christmas dinners, cookouts. But the one that stands out the most is one day I had came to Anna's to have a yardsale with her and that morning before you went to help a friend on the farm. You brought your wife Anna a big bouquet of flowers, you said I got these for my wife, it is our Anniversary. That was so sweet & thoughtful. I know you truly loved my sister and was the only father to her children. Thank you Billy. RIP Gone but never to be forgotten.
