“ *Our sympathy and prayers for the family, especially Regina. I grew up with Bob and Carol Ann in Cloverdale. Their mom and dad were good friends with my parents. Just a great family. May the good memories be sustaining.*

“ *Regina, I was so sorry to learn of Bob's passing. I have lived in for the last 19 years and don't recall having any contact with Bob during that time, but I have fond memories of growing up with Bob in athletics, at Frankfort High, and our fraternity days at WKU. My deepest condolences to you and your family. Gary Bale*
