“ *To Rusty and Vickie:*

You all are in our prayers right now. Your family is on the prayer list at Pleasant Green. I could not make it to the funeral home to see you. But remember, these are the times to rely on your Saviour to sustain you. I'll try to get in touch soon.

“ *My prayers go out to the family for their loss. Bobby was my cousin and I remember well the Sunday afternoon dinners at their home. All of us kids, and there were lots of us, would run around and play for hours. We had some very good times together. I will keep you in my prayers.*
