“ *Bonnie was like family to me and I am going to miss her very much. She had a big heart and would help any body. We shared a lot of conversations while she was fixing my hair and one thing I know is how much she loved her family. God bless all of you.*

“ *Dear Kelly,*

“ To Bonnie's son:
You do not know me, but I wanted to express my condolences. Your mom was a special person. I am the daughter of Ray and Ann Young who are now deceased. Bonnie was my mother's friend, beautician, and caregiver when she stayed at The Neighborhood in 2003-04. I was grateful that my mother had Bonnie to talk to and she looked forward to Bonnie fixing her hair. Bonnie knew my parents before they came to stay at The Neighborhood. I know there's nothing I can say to ease the pain of this sudden tragedy. But please know that your mother will be greatly missed. Please accept our deepest heartfelt sympathy. “ Kelly:
You are in our hearts and prayers. You and Bonnie have always meant a lot to our family. Words can not express how you must be feeling but always know that we are here for you. I hope you will take the time to come around more and let the people that care about you become your extended family. Something that my grandfater told me a long time ago. God only takes the best, and that is to watch over you and give you direction from the heart after all that is what you are suppose to listen with.

*All our love,
Tim, Dawn, Paul and Cory*
