I lost my mother in December, many years ago, and understand that it makes it difficult to lose a loved one during the holidays. I have such fond memories of our time together at the Sunshine Center and sorry we have lost tract of each other. Shannon, I haven't seen you for a long time but miss talking to you at Farmers Bank when you would be at the drive- in window and we would talk. I am sorry for your lost, you had great and caring parents, keep those precious memories in your heart. I was honored to get to know both your mom and dad and of course, Kaye and Ronnie and Tricia and you. If you ever need to talk to someone, please feel you can call me. I will try to attend the funeral but if I do not , please know I am thinking of all of you and will keep you in my prayers. I sincerely would love to hear from you and how your family is doing. “ Troy, Shannon, and Dale,
Your mom was like a second mother growing up. She touched more lives than she ever knew. I will forever hold dear the memories I have of her and your dad. She was fantastic mother, neighbor, and caregiver. I never worried when Jordan was in her care and I had to go to work. My thoughts and Prayers are with you and I hope you take comfort in knowing that your mother is at rest in the arms of the Lord. Let His peace bring you comfort during this time of sadness and in the coming days. Love to you all.
