“ *Mae and Mark*

I have so many good memories of Mark, Brad and I growing up together. We would write each other on facebook from time to time. Brad is truly missed and I am so thankful for the time I got to spend with your boys. If you ever need anything please let me know. I love you both so much. Mom and Dad send their love to you both.

RIP my dear friend

“ *Mae and Family,*

I remember Brad as a sweet little boy. We played together - Brad and Mark and my brother Joe and I - while our mothers practiced gospel singing at your house, 48 years ago. Time goes by. But God's time is not man's time, "...with the Lord one day is like a thousand years and a thousand years like one day" (2 Pet 3:8). Remember this life is not the end, you will see Brad again where there are no more tears or pain.

“ We know there is nothing we can do or say to help you and your family ease your hearts of the loss of Brad. Special prayers are with you, Mark, Carol Ann and Kevin. FRIENDS to comfort you, Memories to strengthen you, Love to bring you peace. Time will be the great healer. Still, it is important that your friends reassure you of their care and love. The loss of Brad is a devastating experience, but we can think of no one any stronger than you to endure such a monumental feat. LOVE YOU.
