I had not talked to Brenda in several weeks and after 2 unsuccessful attempts to phone her, I decided to check the local funeral home obituaries and found out that she had died. I can't tell you how sad this has made me. My friendship with Brenda goes back to 1958. She was a true friend to me and anyone else she called friend and I shall always remember her. My heart felt sympathies to Ron, her sister and all the extended family and friends. God speed friend Brenda. Say hello to your Mom and Dad.
