“ It hurts when you lose someone you love so much, I know I lost my mother this past year. Her memory will live on in your hearts forever, and you can honor her by living your life the best you can. The boys, David and Eddie may not remember me, but my boys, Patrick and Robby use to play with them at the Terria Linda apartments years ago. Time has taken all our lives in different directions, and over the years I would run into Brenda and asked about you boys, and she would ask about mine. Brenda and I were so close in age, and I was saddened to read of her passing. I just wanted David and Eddie to know that I am saying a special prayer for them tonight. So sorry for your loss. Sincere, mrenfro
