“ *To Whom It May Concern,*

*Hello, please accept my heartfelt condolences. I knew Brenda briefly through the support group for Carcinoid cancer fighters. I remember Brenda as a fighter, as a very nice person within our online group. Carcinoid cancer is a rare, insidious disease that doesn't get that much recognition.*

*I will try to remember the beautiful smile she had from the memorial picture. May your grief be brief, and may only the good times return quickly. Sincerest Regards, Jim Spillane from ACOR, the online cancer support group.*

“ *Brenda was a wonderful friend to us. She was always encouraging and had a happy spirit. I will miss our phone calls and chats. She loved her son, daughter in law and grandson so very much. She will be missed but we will see her smiling face again. Love you Brenda. And miss you so much.*

“ Jonathan and Casey,

*My thoughts and prayers are with you during this difficult time! What a blessing she had in you Jonathan. You stood by her side and took care of her in her time of need. She was always so proud of you and she always enjoyed talking about you. I will always remember the mission trips and church activities with your Mom. She was truly a blessing to many. Please call if you all need anything!*

“ *I am so sorry to hear about your loss. I didn't find out until October 8 that she had died. Jonothan, your mother was a beautiful person and I loved her very much. I worked with her at the Social Security Office in Frankfort and also through the Union. She is going to be missed.*

“ *Jonathan and Bond family ~ Many years have passed since I sat with you, Jonathan. God so richly blessed our families to be neighbors for all those wonderful years. I trust that you find comfort in knowing that mom and dear sister is now resting in the arms of her Saviour and strive for the ultimate goal of one day being with her and our Lord. Cherish all the memories that you hold dear and know that one day you will meet again. Our family extends to all of you deepest regards and many, many prayers. We love all of you... Pat, Jennifer, Amy and families*

“ Aunt Brenda,

*With confidence I know that you have been completely restored and I am certain that you are at the feet of your Savior. I look forward to the day when I will see you again and I too will share in the joy of seeing the Lord face to face. Although it has been numerous years since the family reunion and your snickerdoodle cookies, permanently etched in my mind is your beautiful smile and your kind eyes. Your love and your warmth will be missed. It is my prayer now that we may be able to comfort each other with the Lord's help and that through His provision and His strength we may press on toward the goal. Sending love and prayers to all of those who miss you as I do.*

*Love, Jillian  
(Betty's granddaughter)*
