“ *We were so saddened by the news of Brenda's passing. She was a wonderful, caring woman. There is a story on our web-site about a little kitten named Miss Emily. The "Good Samaritan" in that story was Brenda. Our condolences go out to her family and friends. The world has lost a good woman. Sincerely, The Staff of Bevins Animal Hospital.*

“ *I worked with Brenda when I worked at Revenue as a seasonal and she was the most caring person there. She was always really sweet and so quick to give you a hug when you needed it. She was also a lot of fun. We had many fun times in the lab. Brenda - you will be missed dearly. My prayers are with the family.*

“ Ashley, Jennifer, Charlene and Family,
I just wanted to tell you how special your Mother was to so many people, she always had a smile, a hug, a kind word for anyone she knew. She loved unconditionally, and she was always so proud of her beautiful daughters, and her family. She and I worked side by side for 5 years at CCU. We worked in cubicles and she was the only person I could see from my desk all day long. Many times during the 5 years we worked together we experienced good times, and bad times, she would laugh right along with me, and she would cry right along with me. I know the world is never going to be the same without her. The only thing that makes me feel any peace is knowing that she is in heaven watching over you, and me.

“ Ashley and Jennifer,

Your mother was a very kind and thoughtful woman who I appreciated knowing very much. More importantly, she was a devoted mother who was very proud of her two beautiful daughters. Remember the advice she gave you throughout the years, don't lose sight of your dreams, and find comfort in knowing she is watching over and guiding you from heaven above.

Our thoughts and prayers are with you,
