“ *It's been a week today since you've been gone, Brian. It's still surreal to me. You were and will always be one of the greatest loves of my life. I shall miss you forever, my friend. My prayers are with your mom and, of course, with Bev. Life just isn't going to be the same without you, Chopper!*

“ Brian was a good friend of mine. The last time I saw him, he was helping his mother with her shopping. Not only did he load her groceries in the trunk, he opened the door "with respect" for his mother to get in the car. That was the Brian I knew. I hope to see him again walking the streets of glory.
