“ *I was so sorry to hear of Buford's death. He was kin to my uncle, and I worked with Merry Ann for many years. Heartfelt sympathy you, the family and all who loved him.*

“ *Buford was one of the best co-workers you could ever have. Cool under pressure, very smart, funny, delivered high quality work, and a guy who you could count on to come through for you. I enjoyed keeping in touch with him after his retirement. Of course, now I wish that I had done so more often.*
Rest in peace, my friend. I treasure the many lunches, laughs that we shared, as well as the stories that we told each other, a few of which were even true!
