“ *Butch, you will so greatly missed. I have never forgot all the good times we all had together. I will forever and always will carry you in my heart, you just don't forget great friends.*

I will never forget one time we were over your house listening to Hank Williams. You got down in the floor with my son, at the time he was only 3mos old, you were singing to him and he started dancing in his carrier that's when you nicknamed him Hank. He has carried that name for the last 35yrs, he carries his name proudly, "Thanks Butch!

Butch thank you so much for being such a good friend to us all. I will always carry your memories in my heart for the rest of my life.
