“ Dear Carol and Charles, We are grieved and extremely saddened over the loss of Cain. We loved Cain, he was such a great friend for Michael. We are so glad that Michael was able to spend time with Cain and Charles in Frankfort when they were kids. We have so many great memories of the three of them together as kids, going to the country club to swim, going to the AWANA program and just hanging out together. Michael loved having Cain in Mrs. Stephen's class with him at Hearn Elem. Carol thank you for always treating Michael like he was part of your family. He always wanted a brother and I think Cain was the closest person to him as a brother when he was a kid. It was extra special to see all of you again during Allyson's wedding last summer. You are in our prayers and constantly in our thoughts. If we can help out in any way, please let us know. With love, Beverly and Bob
