“ Carey was a sweet second cousin.

And the peace of God, which transcends all understanding, will keep your hearts and your minds in Jesus Christ.

“ Carey was a warm hearted person who cared about everyone including strangers . She was always worried about their health and happiness and if they had enough. She was so worried about my recent health problems that she would call me and cry because she couldn't do anything to help . There aren't many beautiful souls like carey left in this cold cruel world. God got himself a golden angel this time but way too soon . Fly high above us carey and watch over us . A guardian angel you will be , with shiny white wings that spread out for miles , always protecting the people . Rest in power dear carey , cause we miss you already . There is not enough tears to wash away the hurt of your passing . I'll see you in heaven some day . Love and hugs .
Your friend, Sandra

“ Carey and I graduated together. She was a genuinely sweet person. Everytime we saw each other she showed me the love of God. I pray she gets justice. She didn't deserve the way that she passed away.

I got to know Carey when she worked at Dollar Tree and loved her immediately. I then found out she was the daughter of my childhood friend and neighborhood rompers. We spent our time talking about her mom, her mom's health and the "old" days of her mother and I. I can't imagine the pain this family is enduring but I hope the good memories of this precious, beautiful little lady prevail and cloud over the bad. Hope to see you Rhonda and Carey's loved ones on Thursday. Bless all of you and Carey's sweet soul.

I new Carey in high school and her sister Michelle. I hadn't seen her in years. I ran into her at the dollar tree last year, and we started talking, catching up on "old" high school days. We talked about grandkids, and family. She still was same sweet Carey she always was. She will be missed! My condolences to her family. You are in my prayers.
