“ *Life offers us many pleasures and one of mine was knowing Mr. Smith even though he acted like he didn't like me I know he loved me in his heart. I will miss being able to go and help him when he needed it. Senior Helpers lost one of the best. May the Lord be with you all and on those days when you are sad just take a moment to think about where he is and you won't be sad anymore because heaven is such a wonderful place to be. Much love to all.*
