“ I was very sorry to hear of Carolyn's death. Even though I rarely saw her, I know that she was a wonderful wife to my oldest brother, and a loving mother and grandmother. I will always remember her smile and personality, which attracted so many friends. My heart goes out to all who loved her and will miss her, especially my two nephews and their children. I am making a memorial donation in her name. She has blessed her family with a memorable legacy.

“ Carolyn and John were my neighbors and friends. Carolyn was so kind to me when my mother died. She and I shared so many laughs and a profound dislike of moles. We chased them back and force from one yard to the other. We shared respect for each others property and always consulted each other when we did a major thing that would impact the other. What a neighbor and friend should be.

We had a ball watching So You Think You Can Dance and eating my special popcorn. I will always miss her and knowing a friendly and compassionate person was just next door. My heart goes out to her sons and family. She is already profoundly missed here.

“ Carolyn was a special lady and has left a void in our lives. After John died, we became good friends and had plans for several outings this summer. I am so sorry she is gone and miss her already. May God bless Carolyn's family and friends with strength to get through the difficult days ahead.
