“ Aunt Carolyn was the best. Always so very sweet and kind. I spent a very large amount of my childhood at her home. It seemed like out two families were always together. Even when I did something I wasn't supposed to, which I did often, she would just hug me and smile. She watched my boys one weekend years ago. They have some very good memories from that stay. She was a good cook like her mother. She made my boys homemade pancake syrup. They talk about it often. As hard as it is for her to pass, I take comfort in knowing she is pain free and with our loved ones that have gone before us.

“ *She made me smile when I was around her. She had a kind heart. I remember the day Carla & I helped her move from her home to her apartment. We made about 3 trips with my truck, but we got it done. She was a special lady & friend to have. She will be greatly missed. May she RIP...*
