“ *Joyce was such a beautiful person and will be greatly missed. The loss of one who shared our life. Gary, no words, however kind, can erase the sadness in your heart or give you peace of mind, but with healing power of time, may pain and heartache cease. You have so much to remember and to treasure always. May all your precious memories comfort you and help to bring you peace. With Sympathy, Reva*

“ *Joyce's Family,
My thoughts and prayers are with all of you as you say goodbye to a very special person. She has been a true friend for many years and was also special to my deceased sister, Ginny Hicks, and my entire family. I'm thankful that I have been re-connected with Joyce through e-mail and most recently Facebook. She and I shared many conversations in the late hours and wee hours of the morning when neither of us were able to sleep. She always seemed to bring out the best in everything and everybody.
She will be in no more pain but we will all miss her so much.*
