*Andi,
The loss of a Mother brings tears for you. Know a Mother's love never dies, only her physical self is gone but she will be with you always.*

“ There are no words right now I know. Just know you are in our thoughts and prayers. We love you bunches and would love to be there but Hoot had knee replacement and travel isn't good for him right now. Cathy was the best person I've ever known. The world was made better by her being in it. Hugs to all.

“ Mark and Family,

Saddened to hear the news of Cathy's death but I pray that each of you find comfort in knowing that she heard the greatest words any of could hope to hear: Well done, good and faithful servant. Enter into the joys of your Lord. And I have no doubt in my mind that Jesus welcomed her home with open arms! I pray that each of you sense HIS presence now more than you ever have.

Blessings,

Jon
