“ *I am so sorry for your loss. Words are so inadequate at a time like this. My heart hurts for your family. Members of my family have taken our cars to Charlie's business for repair for years. Charlie was always willing to do what he could to help and treated us kindly. He will be greatly missed. May you be able to find some kind of peace during this agonizing time. “ Mary Lou and family, Please know that our thoughts and prayers are with you and your entire family. There are few words to provide solace on the loss of a loved one. Good memories are the things that have always helped me most, to preserve my loved ones in my heart. If there is anything that we can do for any of you, please do not hesitate to ask. "Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones shines down to let us know they are with us."

“ Paula,

Kim and I are so sorry for your loss. We will definitely keep you and your entire family in our thoughts and prayers. I know that there really isn't anything that I can say that will provide you the comfort that you need during this time. However, I know someone who can provide you comfort. In Matthew 11:28, Jesus tells us, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest." So talk to Him and know that He has not forgotten about you or left you alone. He never has and never will. Not only do you have Him to lean on but God has placed a lot of friends in your life that care a lot about you.

“ I remember since my youth...the presence of Charlie in and out of my house. he and my brother Gary (Grady to most)...were great friends..and we all loved him. He used to always pick on me as a child and tease me..because he said I was "like a little sister' to him..I will miss him so much...I pray to the God of comfort who comforts us so that we may give comfort to others. I pray for peace and healing for all of you.
