“ *Dear Ritchie family, please accept my sincere sympathy. May you look forward to the time when the Bible says that "(God) will wipe out every tear from their eyes, and death will be no more, neither will morning nor outcry nor pain be anymore. The former things have passed away" (Revelation 21:4). I hope that this promise and loving memories bring you comfort.*

“ I began working with Charlie in 1974 at what is now (or was) the Wilkinson Street School. We were both working for Human Resources and what I remember from then was his laugh. Fast forward to 1990 and I returned to state government in the Division of Waste Management; and who should pop up but Charlie! We renewed our friendship and everytime I visited his office he talked about his children and their accomplishments. On Dec. 13, 1996 my daughter that I'd given up for adoption found me and the following Monday as I walked through the office spreading the word, feeling like I was walking three feet off the ground, Charlie congratulated me on my good fortune. The next day he handed me a card that said "It's a girl" as if I'd just given birth, and in a way he was right. Staci was 26 then and she will be 43 a month from today; I am blessed. Charlie was endearing, passionate about his work, and a hard worker with many interests. I will miss him - he was a large man, in personality and physical presence. He won't be forgotten.
