“ I'm so sorry for your loss. Scooter was a great guy. He was always respectful and upbeat and would put a smile on he face of anyone who was feeling down. My thoughts go out to everyone who loved him, especially his babies that he loves so much; May they always be reminded of the love he had for them. Until we meet again, Scooter... See ya later 💕

“ You said one of your favorite songs was Iris by the goo goo dolls.. You was a wonderful person.. Great father. Took pride in your cooking.. Loved hard.many blessings to your entire family, and children. Taken from this world too soon.. But God had other plans for you.. As an angel, to protect your family, and loved ones. To protect them in times,they didnt know that you shielded them.. You may have left this earth.. But in spirit and energy you are still here..
