“ *Am so sad to learn of Charlotte's passing. We had so much fun together -- but never got around to building that home on the Canada/USA border. Charlotte was such a generous, fun-loving and positive person. My deepest condolence to Kim and Greg, who was always there for her.*

“ *We remember Charlotte with a smile on her face. She was a clogging student for many years and went on to become a fine teacher. She was always enthusiastic and full of life. We hold that image of her in our hearts forever. We love you Charlotte!*

“ I am so sorry to hear of Charlotte's passing. She was a joy to work with at FCBOE. She was always pleasant and interjected humor into our days. I also took clogging lessons from Charlotte, which was really a fun time. My heart goes out to her family and friends. She will be missed!
