Cheryl is survived by her husband of 44 years, Michael Cheek; her two children, Daniel Cheek (Mellisa) and Sarah Gregory (Jeremy); and her three

“ I’ve know Cheryl since elementary school but it was in high school we became really good friends. We had some adventures!

Cheryl was so talented. She played the piano and the harmonica. She could sing and she painted the most beautiful pictures! She even knew sign language. I always loved hearing her play her harmonica especially the tiny one.

The world seems a little emptier without Cheryl in it. I am thankful for all the memories we shared.

Godspeed Cheryl! You were much loved!
