“ *One of my favorite aunts. She was one of the kindest and sweetest person I ever knew. She was a model of what a christian should be like and one day i will get to tell her face to face when I see her in heaven. No one knows how they affect the lives of others, only when we get there will we understand the impact we have had. But I know Aunt Chris impacted my life and thousands of others just by being Aunt Chris. Will miss her for now, but soon we will see her again*
