“ Really hated to hear this, this loss has been weighing on my heart all Week!

Chris Marshall was great person and a real joy to be around. One of my fondest memories, was riding around town in his car when he first got his license. We would go to M and M Records on East Main and look for the newest music. We would ride all over the East side of Frankfort, listening to music, feeling on top of the world, laughing and cutting up!

Chris, you will be missed my friend, RIP!!!!
