“ *I, too, am so very sorry for the loss of Mrs. Sudduth. She's one of the first people I can even remember. We lived on Dry Ridge just past the Sudduth's. I can remember how nice she was to me and I was little. So you can see that she made a good impression on me even at that young age and I've never forgotten her. Once again, I am so sorry for your loss. She was a lovely woman, inside and out.*
