“ Claud was a gracious man he always had a way or a story to make you smile and fill your day with JOY. He was a very knowledgeable man and had alot of wisdom. I can honestly say I was blessed to be welcomed into the life of Claud and Liz. I just want to let Liz and family know I am sorry for there loss for I know it will leave an empty spot in there hearts, but he has moved on to rest peacefully and will be waiting patiently for "Moma Liz" and family to meet up with him again. RIP Claud. You are greatly loved and will be missed for you left behind a great impression to whom you knew.

“ Mr. Brown left a lifelong impression on me in the few years I knew him. I should have spent more quality time with him and gotten to know his story better. I remember the story how he purposely altered his life for the better when he returned from the Vietnam war. I appreciate his service to this country and his part in keeping me and my loved ones safe and secure. I never had the nerve to do what he volunteered to do. Rest in Peace friend.

“ Liz: Please accept my sincere sympathy for your loss. Claud was a unique and graceful person. I apologize that I will be unable to attend any of the services as I am working and moving my Mother into a smaller apartment at night this week (she is 80). Please express my sympathy to the family as well.
