“ Sorry to hear this. Clay was quite a character and always made me laugh. We played a lot of basketball together at Hearn Elementary back in the day. He'll need to work on his jump shot some though to make the Pearly Gates team.....

“ *Betty and Family. I was so sorry to hear about Clay's passing. Too young. We sometimes look for reasons when something like this happens, things we may have done differently, but it really doesn't matter. What's left is to remember the good times, and those are the memories that remain. All of the Bradley family is there for you anytime you need us. Love you all.*
