“ *Dear Joey,*

We just learned of Clyde's passing. We are so very sorry for your loss.

We have such fond memories of fun evenings with you both as part of the "Capital City Wine Tasting Club" many years ago. It was a privilege and blessing to get to know you both through that time. Clyde always had a smile, a joke, and a compassionate heart. It's apparent he had great impact on many through his life.

Our prayers are with you and your family,

Ellen and Jerry Dudney

“ I attended school with Clyde both at Second Street and Frankfort High. Clyde was always a kind, polite and a fun classmate. It was my pleasure to serve on his Committee some 50 years later planning a very special two day class reunion. We had 10-15 class members meeting over the course of a year or so to make our 50th Reunion as special as possible. And of course, with Clyde's leadership it was a great success.

My sympathy and prayers are with Joey and all the Family.

Sincerely, Linda Mills

“ Dear Joey, Ray, and Doug,

So sad to hear about Clyde. My prayers and thoughts are with you and your extended family. Remembering and missing the good times we had years ago.

Sadly, Joey, one or the other must leave and one or other must stay and grieve.

Thankfully, you had 60 years together; more than most people. May dwelling on the good times and prayers help all of you.
