“ We want to send prayers out to Carol and the kids, and all the family, friends and all who knew and loved him dearly that God give us all strength to help us get through our great loss, and ease our pain. Help us keep our memories of him close at heart and fresh in thought always, to help us get through each day without him. There are no words we can say to his family at a time like this, so we will just say we are so sorry for your loss, and if there is anything we can do for any of you we are only a phone call away. We are very grateful for the afternoon we got to spend with him a few Saturdays ago, and all the years that we got to work with him. We loved him very much and will miss him so. Good by our dear friend until we meet again. R.I.P. Ripy.

“ We are so sorry for your loss. We only met Curtis a few times, but our memories of him are of someone who was loving and kind. We especially remember the stories that Keats told us about his visits to his Papaw and Granny Carol, especially working in the garden with his Papaw. We are glad that he will have these special memories, and we are glad that we had the opportunity to meet and share a wedding with him and Carol. I think that event told us how special the Ripy family is. Our hearts go out to all of you at this time, and our prayers are with you. With love, Linda and Charley
