“ Cynthia was my best friend from 7th grade through high school. She was very sweet, serious, smart, and hard-working. She loved and cared for her younger siblings very much. When I would invite her to my house, she would say, "No, I need to go home and take care of the little ones." I would go to her house, and help as best I could. I wish I could have helped her more. We talked about everything, almost. Our senior year of high school, her family moved away, but Cynthia stayed. She moved into the Muncie house, and became a part of our family. The four of us girls- Vicki, Janice, Phyllis, and Cynthia, had a lot of fun together. As we went away to college, we didn't see each other as much, but Cynthia would still come visit us, especially at Christmas time. She was the maid of honor at my wedding. We also visited her once, soon after she got married. One Christmas, we had lost track of her. Cards came back "unable to forward." We were all worried about what might have happened to her. Then, that same Christmas, she showed up at our parents' house, and we all cried, because we were so happy to see her.

We Muncie sisters send God's blessings to Mark, Rhett, Krystal, and the rest of the family. May He hold you in the palm of His hand, and comfort you during this time of loss. We pray that you will feel our love and His, and that one day we will all meet again, because of Jesus our Lord.
