“ Dear Ms. Bernice and family,
My heart is in great agony over the recent death of your lovely daughter Cynthia. Cynthia and I were schoolmates, we graduated in the same class. I have nothing but fond memories of Cindy. Cindy could always brighten up a room or a situation. She always took the time to listen, she would laugh with you if that is what was needed, or she would cry with you if that would ease your pain, she always took the time to give attention to the needs of others.(Phil. 2:4) At (Acts. 24:15) the Bible tells us about the resurrection of those who are now sleeping in death. At (John 11:11) Jesus likened death to sleep. If you read (John 11:1-44) this is the account of Jesus resurrection of Lazarus. Note that in verses (33-35) even Jesus became "troubled in spirit" "giving way to tears" so this account shows that we are all going to feel the pain of losing loved ones in death, but it also shows what Jesus has the power to do in awakening all those who are now in the "memorial tombs or graves" (John 5:28, 29) Cindy will be grievously missed by all, but the hope of the resurrection can provide us with some comfort in knowing that we will have the opportunity to see her lovely smile again.

“ So sorry to hear of Cindy's passing. I worked with Cindy for only three years but grew to love her for many reasons, but particularly for the inspiration she provided me during some of my trials. I pray for comfort for the family during this difficult time.

“ Cindy was one of the most beautiful patients I ever had. She found joy in all things and encouraged those around her pt and staff alike I had the pleasure to meet her mother and brother over the years, know that she loved you dearly. Her stories of her family and work helped pass the time on dialysis and distract other patients from their discomfort. But that was Cindy thinking of others before herself. She loved God and her church and often blamed her gains on church tea will not miss her a nurse missing a patient. But a sister in Christ missing a friend who blessed her.
