“ I am so sorry I missed visitation and funeral for Cindy. I did not find out until it was over. I thought a lot of her, I remember talking to her in the halls at Elkhorn. She was always so nice and friendly. I am so glad I got to see and talk to her at Bob's visitation. Such sorrow for the Comley family to bear in such a short time. My prayers are with you all. AWJ

“ Cindy was a very special person who shared Jesus with so many people over her too short life. She was such a blessing to me when I served as Children's Minister at Highland. After long days at work and while battling her illnesses, she would still come to church on Wednesday nights to teach and encourage children to sing. Her laugh was infectious and her courage was inspiring. Jesus is rewarding her now and I can just see the children in heaven singing and laughing with her.

“ I don't even know where to begin! Cindy was a wonderful and special person. She always had a smile and a kind word! She was a big inspiration to all that knew her and what a devoted Christian Woman! I know that me and mine are going to miss her and I know that all of my Church family at Highland will as well. I just can't imagine going to Church and her not being there (the Comley's have always been there my whole life)! She did so much and asked so little! RIP Cindy, I am so proud of you and even more proud to be able to call you my friend. I was blessed indeed to have known you for all these years. The Good Lord has once again taken one of his special angels home! Love you Cindy and I will see you again!
