“ *Mr. Crawley and his wife used to eat at the McDonald's or Hardees with my husband, me and several couples. Whoever showed up around 6 we'd sit around and talk about all kinds of issues. They were a joy to be around. When Mrs. Crawley passed a few of our "crew" also passed. We still ran into one another once in a while. We'd eat and talk a bit. We always saved cans for Mr. Crawley when we realized he was collecting them and we were able to get others in our family to save them too. He really loved walking around collecting. He was donating money to the missions. He loved having yard and garage sales and Gene and I always went. What a kind man!
I'm so sorry for your loss. I think they're all in heaven having a big meal talking about lots of issues. Pam (Gene) Cloyd*

“ We have lost a truly great man! I will never forget he was in the church at Stamping Ground when it was struck and destroyed by the tornado. He was our interim at that time, but agreed to stay on as our minister to help with the rebuild effort. His work, along with some other great men of the church, resulted in a beautiful, well built structure that more than adequately replaced the old building. As he helped to sift through the rubble, he gathered many artifacts and remnants of the old structure and respectfully provided many church members with remembrances of the building. We still have displayed a piece of one of the pews with one of the square cut nails attached to it. Brother Crawley's name is on the side as the one who put this together. More important than all this, was Brother Crawley's love for the Lord and his untiring work to reach as many as he could with the Gospel. As I look back, I realize I did not truly appreciate what he was doing at the time, but I will always be grateful to him for his work and his friendship. May God rest his soul, and may I meet him again. To his family I pray for peace and encouragement as you face the days ahead. May God bless you!
