

Daniel Watts Green

December 3, 1942 - January 8, 2025

Daniel (“Danny” or “Dan”) Watts Green, 82, passed away peacefully on Wednesday, January 8, 2025, at Frankfort Regional Medical Center. A gathering of family & friends in celebration of the life of Daniel Green will be held on Saturday, January 25, 2025, from 2:00 pm to 4:00 pm at Capital City Christian Church.

He was preceded in death by his wife, Kathy Long Green. He was the son of Harry Watts Green and Anna Margaret Green, and brother to Patsy Franklin (Bob), Barbara Butler (Ray), and John Green (Susan).

Daniel was the loving father of three children, Nathan Green (Shannon Turner), Houston Green (Olivia Vega), and Leanna Green (Bruce Ellis), and grandfather to Matthew, Jacob, Willow, and Siyah.

Daniel Green may have never met a stranger.

Whether working, traveling to research family history, stopping to help stranded motorists on the side of the road, or any other of his meanderings in this world, those who crossed his path always met a truly kind and forgiving soul. Although Daniel was well read and educated, his intelligence was always secondary to the kindness he showed to those around him, and for that he will be missed dearly.

Arrangements are under the direction of Harrod Brothers Funeral Home & Crematory.

“ Danny was one of the nicest people you will ever have met in life. Always with that smile on his face and chuckle. We spent a lot of time together earlier in life. I went home with Danny one Saturday night. Had to go to Church the next morning. His mother gave me a wool suit to wear. Danny told me to please that the suit home with me.
