*There are no words for what you are having to deal with at this time in your life. I am so so sorry for your loss. My thoughts and prayers are with you Denise (Tommy) and family. I pray that you receive peace and comfort at this time. God bless. I love you both with all my heart. If I could take away your pain I would.*

“ Memories take me back around thirty years ago of a sweet and sometimes shy little girl.. However, even in those times she still showed toughness and determination. That part of her life long personality NEVER changed. But as the years went by, and distance came in-between us, I still followed Danielle's life through her trials of love, heartaches, but most of all.. the loyalty and devotion she gave to her children, family, and sincere friends. Peace be with you now honey, and there WAS a better place..you know, because you finally got to hold that powerful hand, walk that path, and follow that light.. God loves you, and so do we. 💕💕💕 My sincere sympathy.. Marianne Wormley

I'm so sorry we never saw Danielle very often after we moved to North Carolina and you moved to Kentucky. I remember a little girl growing up to a pre-teen with a mind of her own. We shared the disease of cancer in its many forms over many years. I'm glad your struggle is over although you left us much too soon. The hardship of losing you will be difficult for your mom, sisters, grandmother and of course your three beautiful children. You are at rest, now, even though it's hard to let you go. My prayers are with all the family. With much love 💕, Aunt Mary Ann and Uncle Joe
